**2023 Season**

Friends,

I'd like to welcome past and potential customers to Shaw's Sunshine Gardens. You can see us in the 2018 Clint Eastwood film *The Mule*. You can find us online and you can find us in person. We are a small family-owned daylily farm. Our goal is to provide you with quality plants at reasonable prices. As another grower I greatly respect says, "We don't sell the cheapest plants, but neither do we send cheap plants!" Please let us know if we can assist you with your gardening plans.

Blessings,

Charlie
